What happens when friends, family and celebrities become Mii characters and live on an island?

Tomodachi Life is exactly the type of crazy that memories are made of. Interact with your Miis' and watch as they play games, work, fall in love and more!

FEATURES

Create Mii's that look and act like your friends, family and celebrities - anyone.

Observe your Mii's on the island and watch how they interact with others, play games and go wild!

Help your Mii's form relationships, find love and even have babies!

Share the silly things your Mii's do with the help of designated camera buttons in-game and the 3DS Image Share tool.

**YOUR FRIENDS.
YOUR DRAMA.
YOUR LIFE.**

CONVERSATION STARTERS

Have you been looking for ways to spend time with your kids?

Not only is Tomodachi Life perfect for kids 6-12, but it's also really fun for parents too!

Do you like sharing silly things with friends?

Share the bizarre activities of your Mii's with the help of the designated camera buttons in-game and the 3DS Image Share tool.

Would you like to try something new?

Tomodachi Life is unlike anything you've ever played before! Give Mii characters items, voices, and personalities, then watch as they eat donuts, fall in love, get denied, and have little Mii babies!
